Capital stakes

The German Securities Trading Act (WpHG) requires any investor whose share of voting rights reaches, exceeds or falls below certain thresholds as the result of purchases, disposals or otherwise, to notify the company and the German Federal Financial Supervisory Authority (BaFin) thereof. The lowest threshold for the duty of notification to apply is 3%. Any stakes that reach or exceed 10% of voting rights must be recorded in this explanatory report. MLP SE has been notified of two shareholders who directly or indirectly exceeded 10% of the voting rights:

¹ Based on information provided by Dr. h.c. Manfred Lautenschläger, 22,796,771 voting rights (=20.85% of the share capital of MLP SE) are attributable to him by Angelika Lautenschläger Beteiligungen Verwaltungs GmbH in accordance with § 22 (1) Sentence 1 No. 1 of the German Securities Trading Act (WpHG) - old version.

Shares with special control rights

Shares which confer special control rights have not been issued.

System of control of any employee share scheme where the control rights are not exercised directly by the employees

Where MLP SE has in the past issued shares to employees as part of its employee participation programme, these shares were transferred to the employees directly. Said employees can or could then exercise the control rights granted by the shares issued directly in line with the legal requirements and the company's Articles of Association.

Legal stipulations and provisions of the Articles of Association regarding the appointment and replacement of members of the Executive Board

The prerequisites for appointing and dismissing members of the Executive Board, as well as amending the company's Articles of Association, are based on the respective provisions of applicable European and German law, including EC Regulation No. 2157/2001 regarding the Statute for a European Company ("SE Regulation") and the German Stock Corporation Act. The appointment and dismissal of members of the Executive Board are in particular governed by Art. 46 et seq. of the SE Regulation, as well as Art. 9 of the SE Regulation in connection with § 84 and § 85 of the German Stock Corporation Act (AktG). The company's Articles of Association specify that the Executive Board must comprise at least two people. The members of the Executive Board are appointed for a maximum of five years. A further appointment or extension of the time in office, each for a maximum of five years, is permitted. The Supervisory Board can terminate the appointment of a member of the board before the time in office expires for important reasons. Such reason could be a gross breach of duty, inability to manage the company properly or a vote of no confidence by the Annual General Meeting. The Supervisory Board decides on the number of Executive Board members, their appointment and the revocation of their appointment as well as the conclusion, amendment and termination of the employment contracts with Executive Board members. The Supervisory Board may appoint a Chairman and one or more Vice Chairmen (Chairmen deputies).

Amendments to the company's Articles of Association

Pursuant to Art. 59 of the SE Regulation in connection with § 179 (1) and (2) p. 1 of the German Stock Corporation Act (AktG), any amendment to the company's Articles of Association requires a resolution of the Annual General Meeting with a majority of at least three quarters of valid votes cast. When making amendments of this kind to the company's Articles of Association, for which only a simple majority is required for stock corporations founded on the basis of German law (AG), § 19 (4) of the company's Articles of Association deviates from § 179 (2) Sentence 1 of the German Stock Corporation Act (AktG) in that resolutions seeking to amend the company's Articles of Association by the Annual General Meeting can be passed with just a simple majority of the share capital votes entitled to vote on the resolution, insofar as a greater majority is not required based on obligatory legal regulations, insofar as at least half of the share capital is represented, otherwise a majority of two thirds of votes cast. However, the Supervisory Board is authorised, pursuant to § 23 of the company's Articles of Association, to make amendments to the company's Articles of Association that affect the version.

Authority of the Executive Board to issue or buy back shares

A resolution passed by the Annual General Meeting on June 5, 2014 authorised the Executive Board, with the Supervisory Board's approval, to increase the company's share capital by up to € 22 million in total by June 5, 2019 by issuing on one or more occasions new ordinary bearer shares in exchange for cash or non-cash contributions and, with the Supervisory Board's approval, to exclude the shareholders' subscription rights for the issuance of shares in exchange for non-cash contributions. On the basis of this authorisation and with the consent of the Supervisory Board, the Executive Board utilised the resolution from July 27, 2015 to increase the company's share capital by € 1,456,948.00 by issuing 1,456,948 ordinary bearer shares in MLP SE to Mr. Gerhard Schwarzer in return for shares in Schwarzer Familienholding GmbH, the former parent company of the DOMCURA Group, thereby excluding the subscription right. The Executive Board is thus still authorised to increase the share capital by up to € 20,543,052 million.

If the share capital is increased in exchange against cash contributions, shareholders must be granted subscription rights. However, the Executive Board has been authorised, with the approval of the Supervisory Board, to exclude the subscription right of the shareholders if the issue price does not fall significantly short of the stock market price of company shares with the same structure. However, this authorisation is subject to the condition that shares issued in exclusion of subscription rights as per § 186 (3) Sentence 4 of the German Stock Corporation Act (AktG) do not exceed 10% of the share capital, either at the time of coming into effect or at the time they are exercised (authorised capital).

As per the resolution of the Annual General Meeting from June 29, 2017, the company is also authorised, pursuant to § 71 (1) No. 8 of the German Stock Corporation Act (AktG), to purchase up to € 10,933,468 – i.e. slightly less than 10% of the share capital during the authorisation period up to June 28, 2022. No shares were bought by the company on the basis of this authorisation up to December 31, 2017.

Significant agreements to which the company is a party that take effect in the event of a change of control of the company following a takeover bid

There are no significant agreements that take effect in the event of a change of control of the company following a takeover bid.

Settlement agreements between the company and Executive Board or employees in the event of a takeover bid

The contracts of employment between the company and the Chairman of the Board, Dr. Uwe Schroeder-Wildberg, and Executive Board members Manfred Bauer and Reinhard Loose contain a clause stating that said members are entitled to terminate their contracts with a notice period of one month in the event that a third party who had a share in MLP of less than 10% at the time at which the contracts were concluded acquires a share of at least 50% of the voting rights. If any of these Executive Board members chooses to exercise this right to terminate, MLP is obliged to pay said member remuneration corresponding to four times (4x) the respective fixed annual salary if the contract has not been terminated as a result of the change in control, provided that the respective contract is terminated more than two years before it reaches its normal termination date. For all members of the Executive Board, the remuneration to be paid in the event of a "change of control" corresponds to no more than twice the average remuneration, based on the total remuneration of the last full financial year prior to termination of their contract and the total anticipated remuneration for the year still in progress when their contract is terminated. The service contract of Dr. Schroeder-Wildberg is set to run until December 31, 2022, the service contract of Mr. Bauer is set to run until April 30, 2020 and the service contract of Mr. Reinhard Loose is set to run until January 31, 2019. In the case of a termination of contract within two years of the scheduled termination date, the severance payment will only be paid pro rata temporis.

Report on remuneration transparency – appendix to the management report

In line with the requirements of Section 21 of the Transparency of Remuneration Act (EntgTranspG), the following provides information on both equality and equal remuneration at MLP. Within MLP Group, only the subsidiary MLP Finanzberatung SE exceeds the legally stipulated threshold of 500 employees and only this company is therefore reportable. Despite this, reporting is still performed for the joint operations of MLP SE, MLP Banking AG and MLP Finanzberatung SE, as the relevant parameters are recorded on the basis of a company agreement governing these joint operations. In light of this, reporting is only performed with regard to employees that cannot be classified as executive employees pursuant to Section 5 (3) of the Works Constitution Act (BetrVG). They represent approximately 65% of all employees at MLP Group.

A remuneration system works agreement was concluded at MLP in November 2015. During this process, the various positions below the level of division leader were assessed based on abstract criteria before being assigned to a total of 10 salary brackets.
