## About MLP:

The MLP Group is the partner for all financial matters – for private clients as well as for companies and institutional investors. With our four brands, each of which enjoys a leading position in their respective markets, we offer a broad range of services:

- MLP Finanzdienstleistungen AG: The dialogue partner for all financial matters
- FERI AG: The investment expert for institutional investors and high net-worth individuals
- DOMCURA AG: The underwriting agency focusing on private and commercial non-life insurance products
- TPC GmbH: The specialist in occupational pension provision management for companies

The views and expectations of our clients always represent the starting point in each of these fields. For the implementation, we examine the offers of all relevant product providers in the market. Our product ratings are based on scientifically substantiated market and product analyses. Manfred Lautenschläger and Eicke Marschollek founded MLP in 1971. Just under 2,000 self-employed client consultants and just under 1,800 employees work at MLP.
